Bank's Deposits Show Increase Under Giannini

Hundreds of New Depositors Attracted to the Bank of America Since March

A \$51,600,000.00 increase in deposits with 130,000 new depositors added since the return of Bank of America to California management and control is reported by the bank in a combined statement of condition published today.

Deposits are shown to be increased to \$710,903,000.00 from \$659,222,000.00 on March 12, at which time a business building campaign was inaugurated.

Earnings of more than \$2,800,000.00 were realized for the period ending June 30, of which \$1,120,000.00 was utilized for depreciation on bank premises and fixtures.

Un-divided profits were increased to \$5,259,048.00 during this period, and reserves for losses and contingencies brought to \$11,133,467.00 by a transfer of \$10,000,000.00 from surplus account.

It is stated that the full benefit of increased deposits and economies in operations effected by the present management since March, should be reflected to an even greater extent in the earnings of the bank for the last half of the year, which is normally a period of substantial increase in deposits and earnings.

"These satisfactory constructive accomplishments have been made possible through the interested, united and loyal support and cooperation of our entire organization, stockholders and friends. The economies have been effected in a manner calculated not to aggravate the existing distressing unemployment situation, but at the same time to accomplish necessary savings in the interest of our stockholders," said A. P. Giannini, chairman of the board of directors, in commenting on the progress of the bank since the recent proxy contest.

"We have pursued the policy of conducting the bank's affairs in a normal, sane manner and have without exception cared for all legitimate credit requirements of our clients. We have especially encouraged the building of small homes by making installment loans for new construction.

"It has been our old policy to invest a very substantial portion of our savings deposits in installment first mortgage loans on improved California real estate. The wisdom of this policy has been clearly demonstrated throughout the depression by the fact that the shrinkage in this type of investment has been less than in any other type of security, with the exception of United States government bonds, another of our major investments."

CORRECTION

In the last issue of the Torrance Herald, in the Voters' Guide it was stated that Ben Hill and Frank McGinley were candidates on the Democratic ticket for assemblymen, 68th district, and that John T. Rawls was a candidate on the Republican ticket. The reverse should have been stated as Mr. Hill and Mr. McGinley are the Republican candidates and Mr. Rawls the Democratic candidate.

New Names Are Added to List of Candidates

Torrance Man Included in Number to Make Race For Assembly Withdraws

Torrance had one local resident among the seven seeking the post of assemblyman from the 68th district, according to the complete list issued Thursday by W. M. Kerr, registrar of voters.

Republican candidates outnumber the Democratic, but not by many, a survey of the list reveals.

Six candidates filed for congressman from this district, headed by Charles J. Golden, former Los Angeles city councilman, residing at 2290 Alma street, San Pedro. He is a Democrat.

William H. Crowley, contractor, residing at 2650 Chestnut street, is the local man out for assembly. Mr. Crowley has since withdrawn from the race.

Republican candidates for congressman from the 17th district follow: A. E. Henning, Los Angeles city councilman, residing in San Pedro; Ernest E. Debs, 6015 South San Pedro street, Los Angeles, a salesman.

Democratic aspirants are Dr. Allan C. Van Velzer, 1024 Palm avenue, Gardena, a physician, and Charles J. Golden, retired.

The Liberty party's candidate is Ernest E. Debs, 6015 South San Pedro street, Los Angeles, a salesman.

For state assemblyman, the candidates are as follows: Republican, Ben A. Hill, San Pedro, attorney; Frank McGinley, Wilmington, electrician; Edward Kossin, San Pedro, clerk; and W. H. Crowley, local stevedoring contractor.

Democratic: John T. Rawls, San Pedro, dye works, and Clint Tanner, San Pedro, merchant.

Liberty party: John H. Morgan, 1052 Roman avenue, Wilmington, manager.

Supervisors' candidates are headed by John R. Quinn, incumbent, residing at 227 South St. Andrews place, Los Angeles; five others, including former Mayor Reve Houck of Culver City, also are in the race, along with Verna R. Day, retired Culver City resident; Fred S. Wilson, Santa Monica real estate man; Lawrence McLean, Long Beach, mining engineer, and W. E. Buckman, Long Beach insurance man.

Candidates for congress, senate and assembly must pay their fees to Secretary of State Frank Jordan and there may be a few drop-outs before the secretary of state gets his okay on all within the date prescribed by law, which is early in July. Candidates for supervisor and judgeships, district attorney, etc., pay their filing fees to W. M. Kerr, registrar of voters, in Los Angeles.

Lower Water Rate Refused Committee

Efforts of the citizens' committee to obtain a 20 per cent reduction in city water rates, charged by the Torrance Water, Light and Power Company, proved fruitless this week, when E. C. Nelson, president of the local company, disclosed the contents of a letter from the parent office of the company in Columbus, Ohio.

The water company's Eastern office practically refused to make any adjustments in the present rate unless the company is given a franchise, and then only offered a reduction of the minimum rate from \$1.25 to \$1.10. The citizens' committee, composed of J. C. Smith, chairman, Judge C. T. Rippy, Carl Hyde and C. A. Curtis asked for a 20 per cent reduction on all rates.

Pending the outcome of the suit to validate the city's bond issue for \$400,000, it is not thought advisable to continue negotiations with the water company, Mr. Smith stated. The suit is now in the state supreme court, and it is expected that a decision will be given within the next four to six months. When the bonds are validated, the city will be in position to either purchase the present water company or construct its own municipal system.

PLUMBER FREED SKUNK

BAD AXE, Mich. (U.P.)—A skunk, which had caught its head in a salad bottle, owes its freedom—if not its life—to Arthur Dundas. Dundas discovered the trapped skunk while fixing plumbing at Lakeside, near here. He placed a plank on the bottle and stood on one end of it while the little animal worked loose.

Moneta Library to Be Continued

The county branch library will be maintained for at least another three years at 16440 Western avenue, Moneta, by action of the board of supervisors this week, on motion of Supervisor John B. Quinn. The lease held with J. F. and Adella B. Mullin will be renewed for three years at a monthly rental of \$31.50, instead of \$40 as previously. The lessors desired a five-year renewal. July 1 is the date the new lease becomes effective.
